Attention Ebay: This is my personal, private one-of-a-kind copy. This is not a duplicate. I am selling my only copy in accordance with the rules of the System Developer. This auction is in accordance with your rules and his rules. I am not violating the author's copyright. I require that the winner of this auction also respect the author's legal copyright and his ownership of his System.

This auction is for a rare Professional Baccarat System:

Baccarat is WAR! For Mini-Baccarat Only!

The Single Player Approach to Baccarat Trending Using Random Events Translation

If you bid on this auction, you are agreeing that this system is for your own private use only. If you are a "system seller," please do NOT bid!

This system was sold to me and has my name on it. There are security features to show that it is the copy I bought and to prevent it from being duplicated and sold for profit by system sellers.

You are receiving all 3 manuals that i received a few years ago from the system developer and sole author of the manuals, Benjamine Yarbrough.

To obtain this system now, you will now have to pay \$3,155.00. I did not have to pay that much--but i paid alot!

To see more information about this professional level Baccarat Gambling System developed by Benjamine Yarbrough, and about Benjamine, please go to his website:

The Baccarat System up for auction is an advanced mathematical approach that simplifies Baccarat streaks and makes them easier to identify and act on. I have found the system to work and to live up to its "hype."

I know how to apply this system in the casino and i no longer need the manual.

So i am offering this system to some smart, lucky bidder who loves Mini-Baccarat and does not have \$3,155.00 but would like access to a truly professional system. If you do not have alot of money but would like to supplement your living playing Baccarat, this is a one-of-a-kind opportunity.

I live in Las Vegas and i have checked out literally hundreds of Baccarat systems. I know what I am talking about. This may be your only chance to get an authentic Pro Baccarat system.

THIS "BACCARAT IS WAR" SYSTEM FROM BENJAMINE YARBROUGH IS THE ONLY ONE I HAVE FOUND TO BE A GENUINE PROFESSIONAL WINNING SYSTEM SUITABLE FOR PROFESSIONAL INVESTMENT ACTIVITY.

Yes, after 7 years of research and playing Baccarat in Las Vegas--THIS IS THE ONLY ONE!!!

Shipping is by Priority Mail for \$12.

Questions from other members --- Question & Answer ---- Answered On Jan-25-08

Q: David, Although the Pirate play approach suggests a radically different approach to play than was offered in the "Baccarat is War" manual which you received, studied and mastered, your ad and presentation are very professionally done, and I appreciate that. As a small thank you for this deferential treatment, I would like to send you a copy of my newest little book--"Victimized". In this regard, I am sending it to the following address.... correct me if the address is out of date. Best Regards, Benjamine Yarbrough reply to gam.doctor@gmail.com Jan-25-08

A: Hi, Benjamine, thank you for your kind words and for letting me know that your new Pirate play approach is NOT the same as the "Baccarat is War" manual that is up for auction here. I did not know that and i would want any bidders on this auction to have that information. I am still in Las Vegas but the address is incorrect, so i will contact you via your email and give you my new address. Thanks again, the respect is definitely mutual, sincerely, david ramsdale
